Dear Friends of Fisher House,

The residents and staff of the Fisher Houses would like to thank you for your kind donation of shampoos, conditioners, soap, razors, socks and toothbrushes. We appreciate your thoughtfulness and for caring about our military and their families.

As you probably already know, quite a few of the soldiers injured in Iraq are being treated here at Brooke Army Medical Center. Our Fisher Houses have been providing rooms to the family members of those soldiers free of charge. We have four houses with a total of fifty-seven (57) private guest rooms. Currently, Operation Iraqi Freedom (OIF) families occupy more than ninety per cent (90%) of our rooms. The Fisher Houses receives the majority of its funding through charitable contributions for the upkeep and operating expenses of our houses. Your generous contribution will help to keep our houses operating and provide a "home away from home" quality of life for our residents.

A simple "thank you" seems so inadequate, but it comes from the hearts of a very grateful staff and the family members of BAMC patients who have a temporary home with us while their family member is receiving treatment at the hospital.

We appreciate your interest in the Fisher Houses, dedicated to our greatest national treasure – our military men and women and their loved ones. We encourage your continued involvement. Our ability to support others in need is contingent on acts of kindness such as yours.

Sincerely yours,

**Inge K. Godfrey
Manager**
